

Guide to Consumer Information

The Higher Education Opportunity Act of 2008 mandates that schools provide an annual notice to all students and staff describing the availability of a wide range of consumer information. You may also get this information by visiting Financial Aid in Cordelia Camp Building.

The Federal Higher Education Act, the federal Equity in Athletics Disclosure Act (EADA), and regulatory guidance provided in the Code of Federal Regulations (CFR) require direct individual notices of prescribed information to certain target audiences including prospective students, currently enrolled students, current employees, parents, coaches and counselors of prospective student-athletes, and the general public. Disclosures are to include crime/security statistics, student completion/graduation rates, FERPA privacy/security rights, financial aid program information, and gender-specific information on athletic participation and financial support.

These disclosures are updated annually prior to Oct 1. Availability of the disclosure is emailed annually to students at their Catamount Email account. For a printed copy of the disclosure, please contact the Financial Aid Office.
